### Pretty Marriage Celebrated Yesterday Morning.

Dr. Walthall W. Price And Miss Ella Lee  
Newsome Joined in Holy Wedlock—  
Suffolk's Census Takers—Opposition To  
Liquor Licenses—Personal.

(Special to Virginian-Pilot.)

Suffolk, Va., May 16.—The home of Mrs. Mary P. Newsome, 15 Grace street, was to-day the scene of a pretty morning marriage. Promptly at 7:30 o'clock, in the presence of relatives and a few friends, Dr. Walthall Woodbridge Price, of Centerville, South Dakota, led to the altar the eldest daughter, Miss Ella Lee Newsome. The parlor was prettily decorated with palms and potted plants, white and green being the colors used. The bride entered the parlor by the north door in the following order: Miss Gertrude Newsome, sister of the bride, with Mr. P. L. Price, brother of the groom; Miss Lula Heath, cousin of the bride, with Mr. Walter St. Clair, nephew of the groom. Then came the bride leaning gracefully on the arm of two immense palms, while Rev. J. F. Love, of the Baptist Church, read the ceremony which united them in the holy bonds of wedlock. A diamond ring was used. The bride, a pretty brunette, was handsomely gowned in a tailor suit of tan mixed cloth, with hat and gloves to match. She carried a Bible. The groom wore black, and the attendants had on street costumes. After the ceremony an informal reception was held, after which the happy couple were driven to the Norfolk and Western depot, where they boarded the west-bound train for Franklin county, Va., to visit relatives of the groom. After a two weeks' sojourn in the mountains they will start for South Dakota, their future home, stopping for a few days in Chicago.

Miss Newsome, formerly of Abolition, N. C., has lived in Suffolk about seven years. She is well known and admired by many friends for her amiable disposition and sweet Christian character.

Dr. Price, a native Virginian and gentleman, has pitched his tent in far-away South Dakota, where he is winning laurels in his chosen profession.

The bride was the recipient of many handsome and useful presents. Visitors present from out of town were Mr. Parkhurst L. Price, of Roanoke, Va., brother of the groom; Mr. Walter St. Clair, of Salem, Va., nephew of the groom; Mr. Eugene Newsome, of Richmond, Va., brother of the bride; Mr. and Mrs. George M. Moore, of Windsor, N. C., uncle and aunt of the bride, and Miss Lula Heath, of Elizabeth City, N. C., cousin of the bride.

Dr. Price is a native of Franklin county, Va., and is a graduate of Baltimore College. He went to Dakota about two years ago. The bride was a daughter of the late Thomas Newsome. The young people first met in Baltimore.

**COMING COUNTY NUPTIALS.**  
There will be a pretty marriage ceremony near Holland next Tuesday. The principals are Mr. Tophius L. Daugherty, a Councilman of Holland and manager of a peanut company there, and Miss Alonza Daugherty, daughter of Borland D. Daugherty. The prospective married people are well-known and liked in that vicinity, and besides they have many friends in Suffolk and other points.

**SUFFOLK'S CENSUS TAKERS.**  
It is a sort of coincidence that the enumerators for Suffolk, whose names, together with all the rest in the Second District, have been printed in the Virginian-Pilot, live on the same street and with but two houses between them. They both wear the title of captain. They live on Pinner street—that portion of it which many persons designate as Brooklyn Heights.

Captain Harry P. Brooks is county chairman of the Wise-Lamb faction of the Republican party. He will have charge of census taking in all town territory east of a line drawn down the middle of Main street. Captain Brooks may have another man appointed in his place, but that has not been officially announced.

Captain George T. Parker will take lists on the west side of Main street and all other houses between there and Sunset. Both the Suffolk enumerators are good men and conscientious, and will take statistics with care.

**A LIQUOR FIGHT.**  
At Isle of Wight Courthouse to-day they began a fight, whose result will determine whether or not Windsor shall be "dry." The test is up on the application of J. W. Jenkins for a retail liquor license. Mr. William S. Holland is counsel for the applicant. Messrs. E. E. Holland and E. H. Edwards represent the "drys."

When Judge Atkinson adjourned court this afternoon most of the testimony for the applicant had been given.

**CLERK'S OFFICE DOINGS.**  
The Camp Manufacturing Company, a corporation of Isle of Wight county, to-day had recorded a petition, meant to restrain Mills E. Howell and Asenath C. Howell from selling timber on a tract of land in Nansemond county.

Simon M. Lawrence to Hayward Jenkins, a lot in Jericho; \$90.

Max A. T. Weyman to Joseph Britt, a lot in "Philladelphia"; \$75.

**NEXT WEEK'S BILL.**  
The Spooner Dramatic Company will be the attraction at the City Hall Theatre all next week, presenting high-class repertoire. Each play will be prettily costumed and staged. Special scenery is carried for each production. "The King's Command" will be the opening bill. Prices, 15, 25 and 35 cents. In order to introduce this company to the theatre-goers of Suffolk, ladies will be admitted free of charge if accompanied by a person holding a paid thirty-five-cent ticket on Monday night. The Petersburg Index-Appel, of the 8th instant, says:

"The Spooner Dramatic Company opened a week's engagement of popular price attractions at the Academy

of Music last evening. The play rendered was "By the King's Command," and it was witnessed by a large, intelligent and well pleased audience. The scenery and costumes were appropriate and the acting good.

**SOLDIERS AND MUSICIANS.**  
The Franklin Light Infantry Company I, with Captain Crawley Cecil Vaughn in command, arrived at Suffolk early this morning and left at 8:24 for Richmond, to take part in the Street Fair and incident celebrations. There was a good sized company of soldier boys. The command was joined here by the Phoenix Military Band, which will act as their musical escort in Richmond.

**FLOWERS FOR THE DEAD.**  
The Daughters of the Confederacy met to-day to talk about flowers and other details of Confederate memorial, May 18. They decided to have a representative at Cedar Hill Cemetery to receive flowers at and after 10 o'clock. They will appreciate all kinds of floral offerings.

**COMPLIMENTARY FUNCTION.**  
The Friday Afternoon Reading Club was entertained last night by Miss Louise Britt, 56 Main street. Mrs. Claude J. Riddick and Mrs. R. Harry Butler were chaperones. The function was complimentary to Misses Mayo and Irma Carpenter.

**SOME SHORT SAYINGS.**  
Mr. Dick Harrison, business manager of the Spooner Dramatic Company, was in Suffolk to-day.

Mrs. R. T. West and Miss Ollie Beale left last night for Washington, D. C. A license was issued to-day for the marriage of Tiger Langston to Pearl Hare, colored.

Mr. Cornelius A. Cutchins, of the county, left this afternoon for Richmond to visit his brother, Major Sol Cutchins.

Word from Crittenden to-day says Captain T. G. Gilliam is thought to be dying. County Clerk Robert R. Smith has on exhibition at the clerk's office a large bald eagle, handsomely mounted. It was killed at Ragged Island, N. C.

There was a Republican meeting last night of considerable proportions. Some of the leaders are fixing to beat the constitutional convention proposition.

## NEWPORT NEWS.

Has The First Gospel Yacht On The Atlantic Coast.

The Captain Weed Inquest—Grand Jury Will Act—Delegates Chosen To State Federation Of Labor Meeting—Frank Williams Indicted For Killing Solomon Watkins—Third Ward Democrats Will Soon Banquet.

(Special to Virginian-Pilot.)

Newport News, May 16.—The Newport News Light Infantry, under Capt. G. W. Fitchett, and about half a hundred strong, left on the 5:30 o'clock train yesterday afternoon for Richmond to take part in the Carnival.

The boys will camp in the Exposition building.

**BANKS TO BE REPRESENTED.**  
The five Newport News banks will be represented at the annual meeting of the Virginia State Bankers' Association which convenes in Richmond to-morrow and will remain in session several days.

Mr. George A. Schmeltz, of Schmeltz Brothers, is a member of the Committee on Banking and Jurisprudence. Mr. J. A. Willett, cashier of the First National Bank, is one of the vice presidents of the association.

The Citizens and Marine Bank will be represented, as will probably the City and Exchange Banks, which were organized since the last convention.

**CAPTAIN WEED INQUEST.**  
Tuesday the coroner's jury in the matter of the drowning of Captain Weed, of the barge City of Montreal, rendered a verdict as follows:

"That on the 15th day of April, 1900, Captain Weed came to his death, but we cannot state the cause of his death."

Some of the jurors wanted to include in the verdict a suggestion that this was a case for the grand jury, but that was deemed inadvisable.

At the same time it was said that there is circumstantial evidence sufficient to warrant an investigation by the grand jury, and one will be made at once.

Tom Salley, who has been working on the case, Monday arrested the steward of the City of Montreal, to be held as a witness in the case.

**TO FEDERATION MEETING.**  
On Tuesday night the blacksmiths elected Sam Hickey a delegate to the State Federation of Labor, which meets in Richmond next week.

At a meeting of the Old Dominion Lodge No. 137, I. A. of M., held Tuesday night, Mr. M. S. Belk was selected to attend the State Federation of Labor in Richmond.

They also completed arrangements last night for the trolley party to be given to Buckroe on the 6th of June for the benefit of the hospital.

**IN COMMISSION.**  
Of the simple ceremonies attending the placing in commission of the new battleship Kentucky, the Daily News of yesterday says:

Another powerful warship joined Uncle Sam's great navy yesterday—the peerless Kentucky, sister ship of the Kearsarge, which is built on exactly the same lines and only differs from the latter in that she has made a trifle better speed on her official trial.

Rear Admiral Barker, commandant on this naval station, was expected to be present, but he was detained at the navy yard. Those present were the officials of the ship yard and the naval attaches at the yard. A number of employees and others were on the pier when the band played and the stars and stripes were raised at the ship's stern.

It was 11 o'clock when the ceremonies began. General Superintendent Walter A. Post, of the Newport News Shipbuilding and Dry-dock Company, formally turned the Kentucky over to Captain C. M. Chenter as the representative of the Navy Department, with brief remarks.

Captain Chenter then read his orders

from Secretary Long commissioning him to take command of the new battleship. The officers and men of the ship were lined up on the quarter deck. After reading the orders Captain Chenter addressed those present, making a very pretty speech and one that will be remembered by those who heard it. Captain Chenter said that he, his officers and his crew had been assigned to the greatest battleship in the world. On the officers and men of the ship depended, in a large measure, whether or not their craft should always retain that distinction. He spoke of the work of the man behind the gun and how much depended on it. He congratulated the builders on their splendid skill and workmanship as evidenced in the construction of the Kentucky.

The band played the "Star Spangled Banner" and the flag was hoisted at the ship's stern for the first time by seamen's hands.

The Kentucky will remain here until about June 1, when she will drop down to Hampton Roads and wait for orders in reference to her final acceptance trial. She will take on stores for the next week or ten days and will then go out in the stream where she will be coaled.

**FOR SHORTER HOURS.**  
At their meeting Tuesday night the Carpenters' Union took action on the clerks' grievance against long hours to the extent of endorsing the action of the Central Labor Union on the matter.

The plan adopted by that body is to request the people of the town, in the most appropriate way, to do all purchasing in winter before 8 o'clock and in summer before 7, as those are the hours at which the clerks desire to be released in these seasons.

**FRANK WILLIAMS INDICTED.**  
The grand jury has returned an indictment for murder against Frank Williams, alias Frank Holmes, for the killing of Solomon Watkins. This is the case of the two negroes who had the fight on the Chesapeake and Ohio pier, which terminated in Holmes' striking Watkins over the head with a club, which resulted in Watkins' death in a few hours.

The following gentlemen compose the grand jury: J. A. Huxton, foreman; J. L. Patten, Felix Bordenave, J. W. Jenkins, W. S. Saunders, T. C. Powell, J. W. Gunter.

**DEMOCRATIC CLUB BANQUET.**

The East End Democratic Club, composed of the Third ward Democrats, will give a banquet in Cheney's Hall, on the corner of Twenty-seventh street and Roanoke avenue, Friday night, the 19th.

At this banquet the following gentlemen are booked to speak: Messrs. A. A. Moss, E. W. Milstead, C. W. Robinson, Charles Lipscomb and other nominees of the party, and also Mr. Otis Bland will speak on this occasion.

**A GOSPEL YACHT.**

The Gospel Yacht Association, which has been in the process of organization for several weeks past, has now assumed definite form, and will soon be an established fact. The following named gentlemen are backing the undertaking financially and have become surety to the amount of \$500 for the purchase and equipment of a launch: Commissioner of Revenue M. B. Jones, Judge J. D. G. Brown, Chief of Police J. S. Harwood and W. B. Baker, grocer, corner of Twenty-fourth and Roanoke avenue. A gasoline launch 30 feet long, drawing only two feet of water, has been purchased from Mr. W. R. Rusk, of Haines Falls, New York, and arrived here Saturday. This will be the only Gospel boat on the Atlantic coast, although every other coast in the United States already has them.

Rev. Thomas J. MacKay has been the organizer of the association, and will be made the first superintendent as missionary.

## HAMPTON NEWS.

Unfounded Rumors Regarding The Old Point Comfort Beach Ry. Co.

Chess Champion Challenged—Tennis Is In Vogue Again—Base Ball At Fort Monroe—Peninsula Guards Leave For Richmond—Hon. A. J. Montague To Deliver The Memorial Day Address.

(Special to Virginian-Pilot.)

Hampton, Va., May 16.—For several days rumors have been in circulation that the Old Point Comfort Beach Railway Company was financially embarrassed. Yesterday a representative of the Morning Herald called upon Mr. A. A. Heinicke, treasurer of the Point Comfort Beach Railway Company, and asked him for a statement. He said:

"This has been the work of some one that desires to see the company fail, and you may say for me that the Point Comfort Beach Railway Company is positively in better financial condition now than ever before."

No doubt the false rumor was given credence by the fact that parties interested in the Grand View Hotel had some financial trouble which had been adjusted yesterday morning, but Mr. Heinicke says that this property has not at this time any connection with the railway interests.

**CHESS CONTEST.**  
The challenge made by Professor McVincent for the State championship at checkers has been accepted by Mr. B. E. Phillips, the new clerk at Mr. T. S. Howell's drug store. They will begin this week on a series of twenty-one games. The gentleman winning eleven games will win the championship.

**SUPPLIES RETURNED.**  
A large shipment of quartermaster's supplies was sent from the Soldiers' Home to Washington, D. C., Tuesday. In this shipment were the tents that were used during the quarantine last summer, and a lot of clothing.

**TENNIS IS POPULAR.**  
Some lively games of tennis were played upon the new courts in East End Tuesday afternoon. The games were played single, and those who took part were Professor Jones, with Miss May Nash; Mr. B. E. Finnegan and Miss Mary Lee, and Mr. Morgan, with Mr. Shea.

For amateurs the playing was excellent, and at times was very thrilling. Mr. Finnegan and Miss Lee were the successful contestants. Quite an interest is just now being manifested in the game—a tennis club having been recently organized in the

East End, and no doubt there will be some interesting contests in this game, which furnishes such invigorating exercise.

**JUNIORS DEFEAT SOLDIERS.**

The Y. M. C. A. Juniors met the Old Point team Tuesday afternoon on the grounds on the inside of Fort Monroe and defeated them severely, but the Old Points put up a vigorous and plucky game to the end.

The game resulted in a score of 19 to 11, in favor of the visitors.

**AT THE GRAND COUNCIL.**

Great Guard of the Forest David Johnson, Representative Frank Forest and Past Sachem Walter Evans, representing Red Cloud Council Tribe of Red Men at Fox Hill, are in attendance at Danville at the annual meeting of the Grand Council of Red Men of Virginia. The gathering of Red Men this year promises to be an unusually interesting one, and the attendance will be much larger than any previous year.

**PENINSULA GUARDS.**

The Peninsula Guards, in command of Captain Frank H. Couch and Lieutenants H. H. Holt and Thornton F. Jones, left this afternoon on the Chesapeake & Ohio train for Richmond, where on tomorrow the company will participate in the grand carnival military parade. The company carried about sixty members, and it expects to be absent from Hampton until Friday morning.

On its arrival at Richmond the company was met at the station by the Richmond Blues' band and escorted to the quarters already prepared for their reception.

**HON. A. J. MONTAGUE WILL SPEAK.**

Hon. Andrew Jackson Montague, who was invited by R. E. Lee Camp, Confederate Veterans, to come to Hampton and make the address on the occasion of the Confederate Memorial Day, has written the committee having the matter of arranging the program in charge of that he can come here next Tuesday if that day will meet with the approval of the camp. Mr. Montague says it will give him great pleasure to make the address, and there is every reason to believe that the camp will change the date for the exercises so as to have him be present. The camp will meet tomorrow night, when the question of changing the date will be taken up.

Mrs. R. F. Hudgins, who has charge of the Daughters of the Confederacy part of the program, has requested the ladies who expect to send flowers for the decoration of the graves of the dead heroes to have them sent to the Y. M. C. A. building by 2 o'clock on the day that the exercises will be held.

**BRIEF ITEMS.**

The Phoebus Town Council will meet in regular session tomorrow night, when considerable important business will be disposed of.

The Board of Health met last night and adopted rules and regulations governing the new board. Quite a number of Hampton people will go to Richmond today to take in the great street carnival which opened there Monday. Among those who expect to make the trip are Mrs. J. B. Leonard, Miss Lois Leonard, Miss Leanne Guy, Mrs. George Ellison, Mr. G. P. Kerans, Mrs. Booker and Misses Inez and Virginia Andrews.

Mr. George W. Tounner and Mrs. Mary A. Beath were married in Phoebus Tuesday. Mr. Tounner is an old soldier, who has passed the three-score-and-ten mark, while his bride is but 21 years old.

A number of counterfeit nickels have been circulated in this city and Hampton in the past few days. Monday night Mr. Charles Belknap, a slot machine agent, took a number of the nickels from his machines, their face value representing something like \$40. It is understood that counterfeit nickels amounting to about \$100 were taken from slot machines in Hampton yesterday.

## CATARRH OF THE PELVIC ORGANS.

The Reason Why So Many Women Are Sick.

Mrs. Eliza Wike, 190 Iron St., Akron, O.

Mrs. Eliza Wike says: "I would be in my grave now if it had not been for your God-sent remedy, Pe-ru-na. Everybody says I am looking so much better. No doctor could help me as Pe-ru-na did. I was a broken-down woman. It is now seven years past that I was cured."

Mrs. Sarah Gallitz, of Luton, Ia., also writes: "I was suffering with the change of life. I had spells of flowing every two or three weeks, which would leave me nearly dead. I had given up hope of being cured, when I heard of Dr. Hartman's remedies and began to use them. I am entirely cured, and give all the credit to Pe-ru-na."

But comparatively few women who are suffering with pelvic catarrh know that this is the case. Their trouble is called dyspepsia, heart trouble, female weakness, weak lungs, nervous debility; indeed, almost the whole category of medical terms has been applied to catarrh of some organ of the female anatomy. If these women could only realize that their trouble is probably ca-

tarrh of the organs peculiar to women or pelvic organs, and cure themselves with Pe-ru-na, how much unnecessary suffering would be saved.

Mrs. Karolina Suter, 2138 Vine street, Cincinnati, O., says: "Two years ago I fell on the ice. At first I did not think that I had hurt myself; but several months after I felt pains in the abdomen, and a little later my menses failed to appear. I wrote to you in regard to it, hearing that you cured female troubles, and followed your directions. I took Pe-ru-na and Man-a-lin. I now have the best of health."

Mrs. Marie Hanson, of Nebull, Wis., writes: "About two years ago I had disease of the kidneys and womb. I was in a weak, nervous condition and began to have dreadful palpitation of the heart. I was confined to the bed. I had given up all hope of ever being well again. I commenced taking Pe-ru-na. I found relief when I had taken the first bottle. Now I have taken seven bottles of Pe-ru-na. I thank you for your advice and I am glad I can say that I am well now."

Dr. Hartman has written a book especially for women. It treats of female catarrh in all its different phases and stages. It contains common sense talks on subjects which should interest every woman. A book will be sent free to any woman. Address Dr. Hartman, Columbus, O.

## CANNON BALL CLOTHING CO.

219 Main Street, Oppo. Academy of Music.

A person whom I know explains his pretty constant use of Ripans Tabules in this way. "When your hands are soiled," said he, "you apply water to them. If you are fatigued or travel-stained, a bath is efficient and pleasant in its restorative and freshening effect. Yet your hands will get dirty again; and on occasion you will once more be soiled by perspiration, and require water and soap. Now Ripans Tabules are to the inner man about what soap and water are to the outward. They refresh and sweeten, and will do so again and again, as often as occasion requires, which will be every now and then with all people who are hurried about meals, or who fail to masticate their food properly or are compelled to subsist on food that is improperly cooked or prepared. The people of this sort include about seven-eighths of every civilized community."

A new style packet containing TEN RYAN'S TABULETS in a paper carton (without glass) is now for sale at some drug stores—for FIVE CENTS. This low priced merit is intended for the poor and the occasional. Our dozen of the five-cent cartons (100 tablets) can be had by mail by sending forty-eight cents to the RYAN'S CHEMICAL WORKS, No. 15 Spruce Street, New York—or a single carton (100 tablets) will be sent for five cents.
